

01.AKAD-Beginnings  
Experimental Research in  
Architecture and Design  
Katja Grillner,  
Per Glembandt,  
Sven-Olov Wallenstein (red.)

*Beginnings* is the first in a series of publications from AKAD, which aim to provoke, promote and discuss new and critically experimental research by architecture and design.

This first book is structured around four themes arising from projects initiated within AKAD with financial support from the Swedish Research Council. It includes critical essays and presentations of experimental design and writing projects. The contributors are architects, designers and scholars based in Sweden, Austria, Belgium, Canada, Ireland, Italy, Switzerland, UK, and USA.
